The Executive Director of Housing, Property and Regeneration, Gareth Bradford reported that the West Midlands has proven its ability to deliver and has earned the trust of Government with the Trailblazer Devolution Deal (TDD) that represented a significant transfer of power to the region. He added that the new funds would enable mixed use schemes to be taken forward and the development of town centres and this board and local authorities would have a key role in taking forward projects.

Councillor Gakhal (Wolverhampton) reported that he welcomed the announcements and in particular the £100m Single Regeneration Fund that enables the development of difficult to deliver sites like Parkfields.

In relation to enquiry from Councillor Mackiewicz (Solihull) regarding the controls and audits by Government for the funding, the Executive Director of Housing, Property and Regeneration advised of the WMCA's obligations to Government with regards to the outputs/outcomes of the various funds and where there was a local designation such as the Levelling Up Zones.
