The Forward Plan

This document sets out known 'key decisions' that will be taken by the West Midlands Combined Authority (WMCA) over the coming months.

Forthcoming key decisions are published online to meet the statutory 28 day notification rule for each meeting where a key decision will be taken. Where it has not been possible to meet the 28 day rule for publication of notice of a key decision or an intention to meet in private, the relevant notices will be published as required by legislation as soon as possible.

What is a key decision?

A 'key decision' means a decision of the Mayor, WMCA or officer which is likely:

- (a) to result in the WMCA incurring expenditure, making savings or generating income amounting to £1m or more; or
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards in the area of the WMCA

The report relating to a decision, together with any other documents being considered, will be available five clear working days before the decision is to be taken (unless the documentation contains exempt information).

The forward plan also provides notice of when the WMCA may decide to exclude the press and public during consideration of a particular matter due to the potential for disclosure of confidential or exempt

information. The grounds upon which local authorities can exclude the press and public are specified by law and details of the exempt categories are available on request from the Governance Services team (governance.services@wmca.org.uk).

Councillors or members of the public wishing to:

- make a representation about why a matter should be heard in public, or
- submit information to the decision-making body about an item in the forward plan, or
- request details of relevant documents, or
- seek advice about the WMCA's decision-making arrangements,

should contact the Governance Services team: governance.services@wmca.org.uk
