Dear Sirs

West Midlands Combined Authority
Financial Statements for the year ended 31 March 2018

This representation letter is provided in connection with the audit of the financial statements of the West Midlands Combined Authority for the year ended 31 March 2018 for the purpose of expressing an opinion as to whether the Authority financial statements are presented fairly, in all material respects in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2017/18 and applicable law.

We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

Financial Statements

- i We have fulfilled our responsibilities for the preparation of the Authority's financial statements in accordance with International Financial Reporting Standards and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2017/18 ("the Code"); in particular the financial statements are fairly presented in accordance therewith.
- ii We have complied with the requirements of all statutory directions affecting the Authority and these matters have been appropriately reflected and disclosed in the financial statements.
- iii The Authority has complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of any regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- iv We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.

- v Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
- vi Except as disclosed in the financial statements:
 - a there are no unrecorded liabilities, actual or contingent
 - b none of the assets of the Authority has been assigned, pledged or mortgaged
 - c there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- vii We confirm that we are satisfied that the actuarial assumptions underlying the valuation of pension scheme assets and liabilities for IAS19 Employee Benefits disclosures are consistent with our knowledge. We confirm that all settlements and curtailments have been identified and properly accounted for. We also confirm that all significant post-employment benefits have been identified and properly accounted for.
- viii Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards and the Code.
- ix All events subsequent to the date of the financial statements and for which International Financial Reporting Standards and the Code require adjustment or disclosure have been adjusted or disclosed.
- x We have considered the adjusted misstatements, and misclassification and disclosures changes schedules included in your Audit Findings Report. The Authority financial statements have been amended for these misstatements, misclassifications and disclosure changes and are free of material misstatements, including omissions.
- xi Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of International Financial Reporting Standards.
- xii We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
- xiii We believe that the Authority's financial statements should be prepared on a going concern basis on the grounds that current and future sources of funding or support will be more than adequate for the Authority's needs. We believe that no further disclosures relating to the Authority's ability to continue as a going concern need to be made in the financial statements.
