	3. Consider a new a more proactive collaborative working arrangement with local authorities developing air quality plans within a wider West Midlands Air Quality Framework which clarifies roles for different parties and identifies a number of shared working practices. Rationale/Background: This report aims to give an overview of the sources, levels and impacts of air pollution across the West Midlands. It briefly reviews existing work that is taking place to address poor air quality, and provides an indicative summary of additional interventions that might be adopted.				
	Meeting 18 March 2022
