Recommendation(s) for action or decision.

Investment Board is recommended to:

- (1) Approve the proposed delegation of decision-making authority as outlined in Section 3 of this Report to the Section 151 Officer in consultation with the Chair of the Investment Board and on the advice, as appropriate, of the Investment and Commercial Activities Director.

1. Purpose

- 1.1 To seek agreement of Investment Board to delegate its decision-making authority in relation to critical non-political investment decisions. This will be delegated in accordance with the proposed arrangements as detailed in section 3.1 of this Report. If agreed, the Investment Board's decision-making authority will be delegated from 26 April 2022 until the first meeting of the Investment Board following the election in May, currently anticipated to be 20 June 2022.

2. Background

- 2.1 Members of Investment Board are appointed by the Constituent and non-Constituent councils. All Constituent Councils across the West Midlands and a number of Non-Constituent Authorities have local authority elections taking place on 5 May 2022. The WMCA entered its pre-election period at 5pm on 24 March 2022. Whilst in the main,

boards and committees will not be arranged during this period, the issues considered by Investment Board are often time critical, and as such, Investment Board is the exception to this rule. The meeting of Investment Board during the pre-election period is considered necessary to discharge the WMCA's function. This will be the last meeting of the Investment Board until after the election, with the next meeting on 20 June 2022.

- 2.2 As such, it is necessary to put in place arrangements to allow the business of the WMCA Investment Board to continue during this time until the newly constituted Investment Board reconvenes in June 2022. This will allow for decisions on urgent, non-political matters which cannot wait until the June meeting of the Investment Board to be made during this intervening period.

3. Outline of proposed delegation of Authority

- 3.1 The legislation permits any functions of a Combined Authority which may be discharged by a committee of theirs, in this instance, Investment Board, to be discharged by a sub-committee or an officer of the authority. As such, it is proposed that Investment Board delegates its decision-making authority in relation to urgent, non-political matters to the Section 151 Officer in consultation with the Chair of the Investment Board and on the advice, as appropriate, of the Investment and Commercial Activities Director.
- 3.2 It is likely that such decisions would include matters related to the commercial loans available through the CIF and RIF.
- 3.3 As referred to in 3.1, the delegation of the Investment Board's decision-making authority is in relation to urgent or critical non-political matters. It should be noted that a decision made in accordance with paragraph 3.1, will only be taken if the matter is considered of such urgency that it cannot wait for the usual decision-making processes. Urgent decisions will only be made in rare and exceptional circumstances.

4. Reporting of Decisions

- 4.1 Should any decision be made in accordance with 3.1 above, it should be noted in writing together with the reasons why it was considered urgent. Following such a decision, it will be reported to the Investment Board at its June 2022 meeting explaining:
- the decision;
 - the reasons for it; and
 - why the decision was treated as a matter of urgency.
